The Materials cited above are provided free of charge for your use on the understanding that:

The Materials are provided without warranty of merchantability or fitness for a particular purpose or any other warranty, express or implied, and without any representation or warranty that the use or supply of the Materials will not infringe any patent, copyright, trademark or other right. The Materials described above must not be used in Humans for clinical or therapeutic use or as a clinical diagnostic, nor must they be used for any commercial activity.

In no event shall the Medical Research Council be liable for any use by you of the Materials supplied. You hereby agree to indemnify and hold harmless the Medical Research Council for any loss, claim, damage, or liability, of whatsoever kind or nature, which may arise from, or in connection with the use, handling or storage of the Materials.

The name and logos of the Medical Research Council and the Medical Research Council Epidemiology Unit must only be used in conjunction with the current agreed use of the materials covered by this disclaimer. For any other use(s) please contact the Medical Research Council Epidemiology Unit.

The Materials may not be transferred to any third party without prior written consent of the Medical Research Council Epidemiology Unit, where approval has not been given.

If these terms are not acceptable, you must not use the Materials and should return all Materials and related information immediately.
