# 13<sup>th</sup> WHO/IDF Cambridge Seminar - 2019

---

## Our aims

- Focus on epidemiology
- Focus on public health
- Improve the quality of research
- Capacity building for research

## Our objectives

- Learn
- Share
- Make friends
- Enjoy
- Network and maintain long-lasting research collaborations

Learned together

---

# Lectures Q&A

# Learn through small group sessions

---

# Group sessions

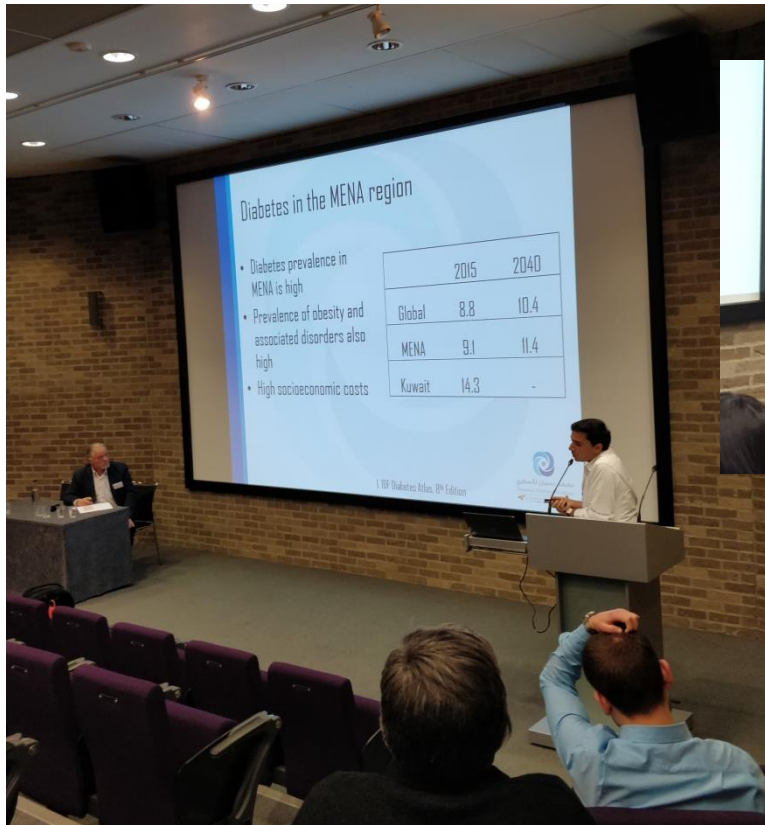

# Learn through debate...

- Fair (and excellent) Chairman
- Due process was followed
- We can agree to disagree in science
- And still remain the best of friends...

# Participant presentations

We worked hard  
We had fun too!

# Opportunity to mingle

# And even form friendships...

# Stretching breaks

---

# International cuisine!

---

Not to forget the “real” Cambridge experience!

---

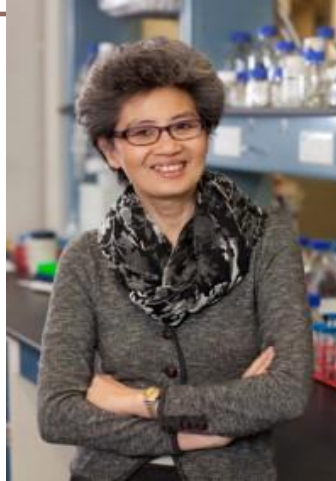

# And so it is the last day...

# CDS2019 Resident Faculty

# Visiting speakers

Dr Soren Brage

Prof Simon Griffin

Dr Inês Barroso

Prof Ken Ong

Dr Oliver Mytton

# Guest speakers

---

Dr Amanda Adler

Prof Rhys Williams
