

## Biological sample collection for the Development, Evaluation and Monitoring of Biomarkers (DEMOB study)

Participant study number:

### CONSENT FORM

Version 2.0 (05/10/2021)

Chief Investigator: Dr Kerry Jones

1. I confirm that I have read and understood the information sheet version ( ) dated ( \_ / \_ / \_ ) for the above study and have had the opportunity to consider the information, ask questions and have had these answered satisfactorily.
2. I understand that my participation is voluntary and that I am free to withdraw at any time, without giving any reason and without my medical care or legal rights being affected.
3. Due to the anonymisation of my samples, I understand that if I withdraw from the study it will not be possible to remove my samples from the study
4. I confirm I am over 18 years old and reside or work locally
5. I agree to provide a venous and/or capillary blood sample and/or urine sample and/or saliva sample
6. I understand that samples I have given will be completely anonymised and used for research into nutritional and related biomarkers
7. I understand that the information collected about me can be stored by the MRC Epidemiology Unit, University of Cambridge
8. I understand that I will not benefit financially from participating in the study
9. I understand that I will not be informed of the test results
10. I understand that anonymised samples may be stored for future use by ourselves or collaborators, and that this might include industrial or overseas collaborators
11. I agree to take part in this study
12. I am happy to be contacted about taking part in future research
