

Conflicts of Interests Policy v4 12th February 2024

Declaration of Interests Template

Please read the Mandala Col Policy first to understand the purpose of this declaration. The primary purpose is to declare any interests that might conflict with the goals and work of Mandala.

All Mandala Investigators and staff, as well as affiliated staff or students, must complete and submit the template below, and then update and submit the template annually (by the end of March each year). Please type responses into the right-hand column in response to the questions. The table will automatically expand to accept your text.

Templates should be sent to Hannah.Pettet@mrc-epid.cam.ac.uk. The information on templates will be collated and made available in the Mandala website: <https://www.mandala-consortium.org/>
